Welcome to Hungry Head Cabins.
It really is the perfect place to
enjoy your next holiday.

The reef off Hungry Head is a popular destination for local and travelling surfers. The main Hungry Head beach continues south of the head for 2 km to some low rocks and a small creek mouth. This is the town beach for Urunga located 2.5 km to the north. The Urunga SLSC was established toward the Northern end of the beach in 1925. The beach has maintained its natural setting with the only development being Hungry Head Cabins and picnic area on the headland and the surf club tucked in between the head and the usually closed mouth of Dalhousie Creek.

What's on at the pub

The Ocean View Hotel situated in Urunga is popular with our guests who are impressed with the relaxed atmosphere, fine food and cheer. A great place to come and watch the race that stops the nation on Tuesday 1st November. The pub has performers entertaining regularly including the great talent of local rock band Rocksalt, are not to be missed. So bring your family & friends and enjoy the relaxed and friendly atmosphere mixing with locals and other holiday makers. After a fun time, what better place to go and enjoy the tranquillity than at Hungry Head Cabins. Contact our friendly reception today to book your next holiday with us. We look forward to greeting you on arrival.
