Welcome to Hungry Head Cabins.
It really is the perfect place to
enjoy your next holiday.

Bellingen Shire has extraordinary rainforests and eucalypt forests that stretch down from the mountains to the sea at Hungry Head, setting it apart from all other NSW North Coast Shires. Of special appeal is the shaded walk through ancient melaleucas (tea trees) to the secluded Hungry Head and Dalhousie Creek estuary. Sleep to the soothing sound of the surf and wake to an early morning walk and swim or watch the sunrise from the headland. A feature of the Hungry Head Nature Reserve is the rare littoral rainforest sheltered behind the surf club and observation platform only minutes

from the cabins.

Hotrod Spectacular

The NSW October School Holidays herald the arrival of the most incredible display of multi-coloured, polished and chromium embellished hotrods from all over Australia.

But things reach fever pitch on Saturday morning of the October long weekend when hundreds of these wondrous machines slowly parade through Nambucca Heads in columns of four vehicles, finally coming to a halt in the main street at about 10.00 am.

During the course of the next two hours you'll be welcome to inspect this cornucopia of motor vehicle excellence. And it's all totally free!

Don't miss it!
